Subject: Request for Permission to Visit AIISH, Mysuru for Major Project Work

Respected Sir,

We, the undersigned students of 6th Semester B.E. Computer Science and Engineering (Artificial Intelligence), are currently in the process of initiating our major project under the guidance of our faculty mentor.

As our team intends to undertake a medical-based project with practical relevance, we propose to visit All India Institute of Speech and Hearing (AIISH), Mysuru to consult with the concerned experts and obtain a suitable problem statement aligned with real-world clinical requirements.

The visit will help us understand domain-specific challenges and ensure that our project is meaningful, feasible, and academically significant. We assure you that this visit is purely for academic purposes and will be conducted responsibly, without affecting our regular coursework.

In this regard, we kindly request you to grant us permission to visit AIISH on 02nd of March to seek guidance and formalize our project topic.

We shall be grateful for your approval.

Thanking you.

Yours faithfully,
Ryan S George
